Professional Building Signage Solutions for Commercial Buildings & Condominiums

Compliant. Durable. Management-Approved.

We provide end-to-end signage solutions for developers, MC/JMB, and property management—designed to meet building standards, improve wayfinding, and enhance long-term property value.

✓ Suitable for New Developments & Existing Buildings

✓ Indoor & Outdoor Signage

ABOUT US

A&T Media Sdn. Bhd. is a printing and advertising company that provides signage design and creation in the Kuala Lumpur (KL) area. Our headquarters is situated at Ulu Tiram, Johor, Malaysia.

We provide a variety of in-house support in production, design, marketing, on-site installation, and evaluation.

Each product is produced by our experienced production team and quality checked by our senior production manager who has 20 years of experience.

Not only do we have a strong team, but we also have 10,000 square feet of production space and state-of-the-art equipment such as routers, lasers, UV printers, plotters, cutting beds, 3D lettering machines, and automatic welding machines.

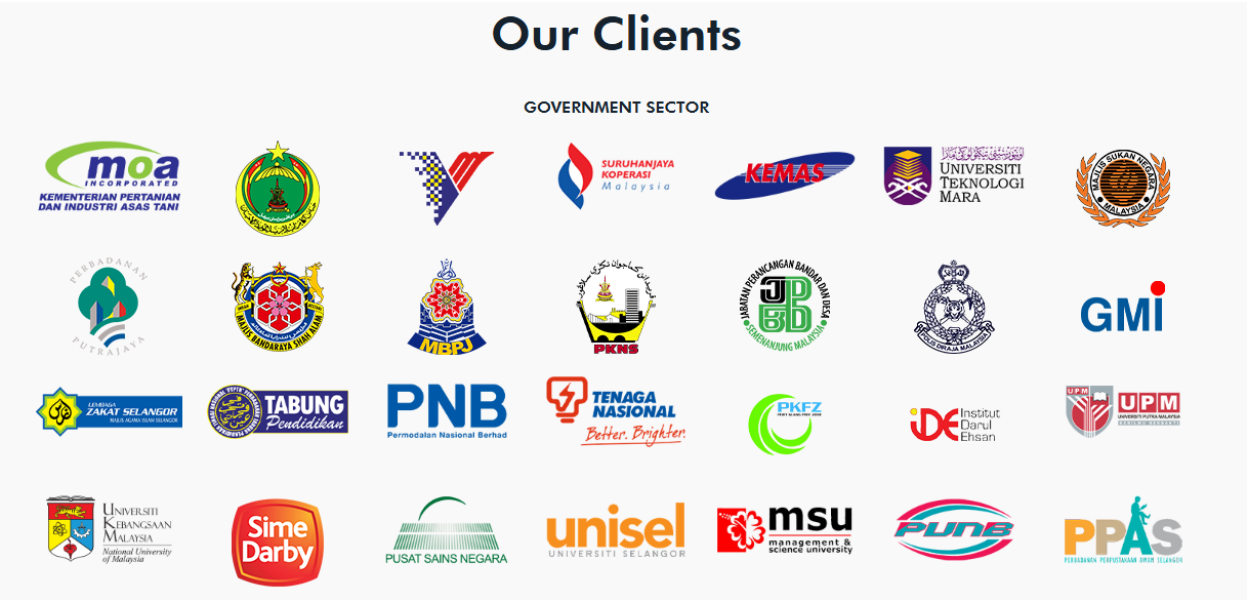
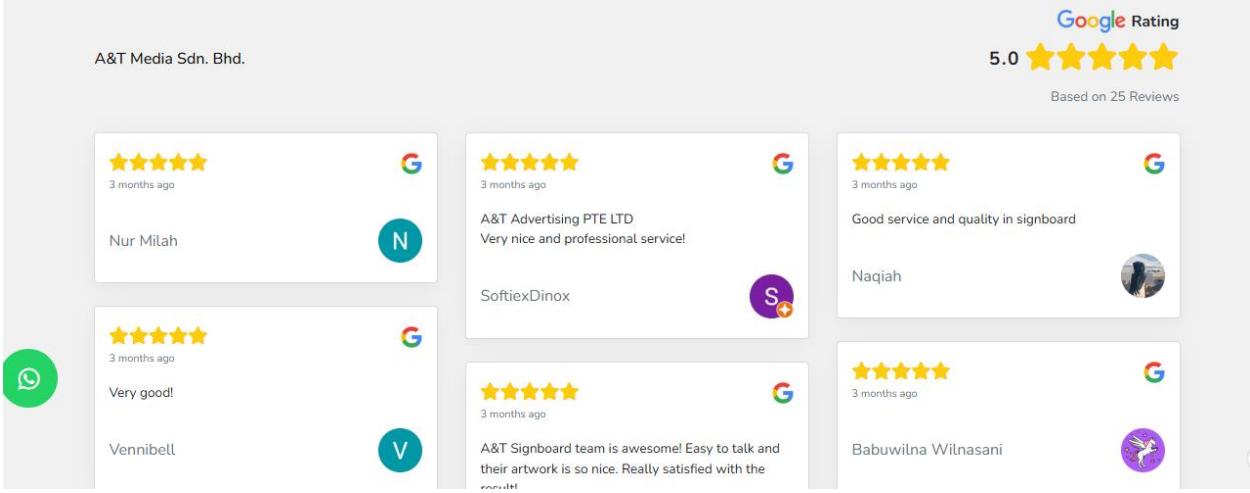
PROJECTS / REVIEWS





SERVICES

Our Process

Structured & Management-Friendly

1. **Site Assessment** – Visibility, layout & requirements
2. **Design Mockup** – Placement visuals for review & approval
3. **Fabrication** – Quality materials & workmanship
4. **Installation** – Safe, neat & coordinated execution

Minimal disruption. Clear communication. Reliable delivery.

- Clear layout and placement planning for approvals
- Durable materials suitable for Malaysia's climate
- Professional appearance that enhances property value
- Experience working in occupied and managed buildings
- Smooth coordination with management and site teams
- Designed with long-term maintenance and visibility in mind.

Looking for a Reliable Signage Partner?

Whether it's a new development, signage replacement, or building upgrade, we provide solutions you can approve with confidence.
